*State Victim Advocate*

*Thank you for visiting*

*Over the past several months the OVA has worked hard to update the information on our website. Our goal was to provide a modernized, user-friendly site with accessible, current resources for those seeking information and guidance. A few of the bigger changes include a new office logo to represent the aims of the OVA when communicating with victims and providers (Dignity, Respect, Honor); access to the google translator tool for those who may need or choose to read in a different language; and a security exit button at the top of the page for those who may be in need of a quick escape from our website.*

*We hope that this site and the information provided is most useful to victims and those who work on behalf of victims. We will continue to update this site as necessary, but please do not hesitate to contact our office should you have any questions or are in need of assistance.*

*With gratitude,  
Garvin G. Ambrose, State Victim Advocate*
